

# Voxer Business For Education

## WHY VOXER

Voice is **3X faster than text**

**Talk hands free** across classrooms, schools and districts

**No missed information** - recorded messages ensure that important communication is never lost

## WHY CHOOSE VOXER FOR SCHOOL DISTRICTS, ADMINISTRATORS AND CLASSROOMS

Create group panic chats for emergency situations.

Inclement weather strikes - access up-to-date information on school cancellation or delays.

Communicate across the entire district - share successes, discuss pressing school concerns and collaborate together to become better leaders.

Share successes of big wins from soccer championships to spelling bee winners via text and photos.

Keep tabs on all students while on field trips.

Alert custodians if extra cleanup is needed in the cafeteria - never chase them down!

Bus arriving late - no need to use PTT walkie talkies, drivers can stay hands free so that they can keep both hands on the wheel.

Decrease chaos in after school pick-up.

Voxer Business

## For Better Business Communication

Loud, repetitive sounds for emergency situations

Turn your mobile device into a walkie talkie

Moderate team conversations district-wide, manage user access and assign multiple admins for up to 500 users
